

## What is WRGRC?

White River Golden Retriever Club is a Member Club of the Golden Retriever Club of America and is approved by AKC to hold licensed shows.

Meetings are held monthly and membership is open to any person interested in the objectives of the club, i.e. to encourage and promote the care of purebred Golden Retrievers and to do all possible to bring their natural qualities to perfection. Meetings consist of good fun, fellowship and include field training sessions, obedience and conformation work. If, after attending at least two meetings you are interested in joining the club, we invite you to submit an application form. Ask any officer for an application.

**W**RGRC members have a wide range of interests.

Some of our members have Golden Retrievers that are nationally ranked in the world of dog shows.

We also have members whose primary interest is getting home to their Golden every night for a big hug and a walk around the block.

Check us out, here are some of the things our members are involved in:

**Obedience** - Interested in getting an obedience title, or just a better behaved pooch? We have members who can help you out on both counts.

**Therapy** - A number of our members gain a great deal of satisfaction by visiting hospitals and nursing homes with their Golden Retrievers. The responses of the residents and patients is nothing short of heartwarming.

**Conformation** - Want to live with a Golden you can call the Champ? We have members who have traveled this road and brought home champions.

### Golden Retrievers The K-9 Gold Standard

**Agility** - Is your Golden able to perform feats of wonder in the canine athletic world? Maybe Agility is for you! We have people who can help you on the way.....

**Field Work** - Bring out the natural retrieving abilities of your Golden. There's nothing more inspiring than watching a Golden streak across a field or dive into a lake to retrieve that prize!

## The Tip of the Iceberg....

We've mentioned a number of things you might consider doing with your Golden. But there's more....

There's tracking, search and rescue, or maybe just learning about how to feed your Golden better. Want your Golden to earn his Canine Good Citizen award (CGC)? Need to learn about raising puppies, skin issues, heredity issues or how to make that "Golden Oldie" more like a puppy?

We have a lot of great members who enjoy sharing their experiences and expertise.

Need help solving a problem, or someone who just understands? Join us, and you'll be at the right place, with the right people.
